Let it be known, Far and Near, that I am BOUND TO SELI MY GOODS. I bought them for that purpose. Neither Bankrupt Stocks, Clearing Sales, nor Selling out at Cost disturbs my Equilibrium.

ONE who "stood the racket" as long as I did at Hartwell-where every season brings its sellers out at cost-with the desperately low prices for cash during the short monied season, can surely hold his hand with Jews and Gentiles here. Some of the GOODS AT COST are often HARD BARGAINS. As for clearing out, I have no old rubbish to offer, but will sell fresh, new Goods at such low prices as to astonish the

natives! No matter to you how, where, or in what quantity I bought them. What you want is the most Goods for the least Money-quantity as well as quality. Then Now, as to CLOTHING, I cannot be undersold. Mine is entirely new-an advan tage over other Stocks; and I will sell if I have to do so at LESS THAN COST. I will be glad to get Cost for my stock of BOOTS. The fun I have in selling i about all the profit I get on some kinds of SHOES I offer. Others I can make a profit
